

MY OFFICE BUILDING IS CLOSED TO WALK IN TRAFFIC.

BECAUSE I CARE

The pandemic has changed how meetings are conducted but it's not changed how I care.

IF WE ARE MEETING IN MY OFFICE

Park by door 4 of the building. If I'm not standing there waiting for you, please call my cell (402-525-6027) and I'll personally escort you to my office.

MASK PROTOCOL

The building protocol is that masks are to be worn in public or shared spaces. We don't have to wear one in my office. Please do as you are comfortable.

TOGETHER

Only by working together can we slow the spread of COVID-19 AND help your business thrive during a slow down.
